Israeli-Palestinian Memorial Day Ceremony

On Israeli Memorial Day, communities across the U.S. will gather to share in the annual Israeli-Palestinian Memorial Day Ceremony, produced by **Combatants for Peace** and the **Parents Circle - Families Forum**.

Please join us for a special memorial event rooted in the values of hope, empathy, and nonviolence. We will view footage of the ceremony from Tel Aviv, hear from bereaved Israelis, Palestinians, and from our own New York community, and draw inspiration for our work for reconciliation and peace.
